

Ladysmith

MAIN STREET

is AUTOMOTIVE

Whether it is your passion, your lifeline or just something that you use to get from Point A to Point B, your vehicle is important to you. From high performance sports cars to rusty clunkers, all vehicles need a tune up every now and then. Downtown Ladysmith has a wide variety of options for your vehicle up-keep. From the pit crew chief that was born with a wrench in their hand to the person that thinks oil only comes in varieties such as vegetable, olive and canola; and everyone in between, downtown Ladysmith has you covered with a variety of service shops and auto part retailers to suit your needs.
